THE MEMPHIS DAILY APPEAL-TUESDAY, OCTOBER 31, 1871.

MEMPHIS APPEAL

OFFICIAL JOURNAL OF THE CITY. TUESDAY MORNING. : : : OCT 31, 1871.

EAST TENNESSEE'S RICHES, "Red Ash Coal," from mines of Eastern
Transsee, is going into general use. The
Chair is O'Connor has at last declin
the nomination for the General Assemb
the nomination for the General Ohio is low and its navigability always bulls, and, with their tails tied together, uncertain, and this coal from the mines of constitute a ring around the capitol at McEwen, Wiley & Co, beyond the mountains, is the only fuel which they will burn who are accustomed to use Pittaburg coal. The Red Ash coal is wholly free from sulphur, it is furnished in large imps, leaves no clinkers and burns as operate with these bulls and thus rob leaves no clinkers and burns as operate with these bulls and thus rob.

Of the city.

A man named Henry Nolte, while fleeting from a salour-keeper and his crowd in fereey City, early Sunday morning, was about a great crime, in the estimation of an estimation of this city.

A man named Henry Nolte, while fleeting from a salour-keeper and his crowd in fereey City, early Sunday morning, was about a great crime, in the estimation of the city.

A man named Henry Nolte, while fleeting from a salour-keeper and his crowd in fereey City, early Sunday morning, was about and exiline by a policeman named Henry Nolte, while fleeting from a salour-keeper and his crowd in fereey City, early Sunday morning, was about and exiled by a policeman named Henry Nolte, while fleeting from a salour-keeper and his crowd in fereey City, early Sunday morning, was about an exiled by a policeman named Henry Nolte, while fleeting from a salour-keeper and his crowd in fereey City, early Sunday morning, was about an exiled by a policeman named Henry Nolte, while fleeting from a salour-keeper and his crowd in fereey City, early Sunday morning, was about an expectation of the city. readily and is as rich as the best coal brought down the Ohio. The coal is delivated here at about 30 cauts, and if each car were not subjected by the Nashville and Chattanoga road to a charge of \$7.50 for the use of 30 miles of that road, there would be a most profitable and extensive trade in coal between Mamphie and Knoxville. In fact, diverse as are the products of the two ends of the stroyed the State's credit and robbed it without mercy, now gather about the captilities and should co-operate in practical legislation. It is very wrong for East Tennesces, after it has received about two-thirds of all State bonds issued umps, leaves no clinkers and burns as operate with these bulls and thus rob about two-thirds of all State bonds issued ple, the bonds may never be paid at all. and lost, to attempt the dodge of making. There is a limit to human patience and West Tennessee foot the bills. On the endurance. The bulls about Mashville contrary, East Tennessee should favor the should not make more noise than very western district. Memphis needs another small caives. route, with Maney's central road, over the nountains, and then Memphis and the for all the peculiar products of the moun- would have the wealth of the West tain districts. Messrs. McEwer, Wiley & gathered here, we must not only furnish ans, by their acts, that these lawgivers at amounts of freight on this side of the Neshville who would adopt a policy river, but have a railroad bridge spanning which prevents the transit of the mountains beyond Sparia by the Massissippi. The Louisville railroad memphis. tains beyond Speria by the Memphis and bridge was opened about a year ago, and Charleston road, by forcing its sale to an- such are the exactions and necessities of other corporation, are the worst enemies commerce that another is to be built. S Louis has hardly finished its first bridge Eastern Tonnessee has over known.

MARKLE BUILDINGS AND EAST TEN- the construction of a second like structure NESSEE QUARRIES. The fire at Chicago has carved deeply ganised to build a third. How long before into the memories of the builders of cities | Memphis will undertake this task, once an ineffaceable record of the fact that ex- deemed so herculean that he who dreamed terior wooden cornices and Mansard roofs of it twenty years ago was pronounced a should never adorn public or private wild enthusiast? In our commercial col sdiffices.
